

WE NEED YOUR VIEWS! - HAVE YOUR SAY! - DON'T MISS OUT!

Dear Resident of Loxwood,

The Loxwood Community Led Plan is about the current and future state of Loxwood parish. It is being prepared **by and for the village and parish of Loxwood** and will reflect the desires and aspirations of those of us who either live or work here.

The Plan will address the issues that are important to us all, such as housing, roads, traffic safety, schools, doctors, play areas, facilities, car parking, safe access to businesses, clubs and societies to name but a few. At the heart of the data gathering exercise to support the Plan is this survey. It has been put together after extensive local consultation by means of a "Walkabout", Workshops, an Open Day and discussions with local businesses etc.

The survey is being sent to all households and businesses and the results will help us formulate short (1 to 2 yrs.), medium (2 to 5 yrs.) and long (5 to 10 yrs.) term action plans for the parish. The results will be fed back to everyone by means of further Open Days and the Community Led Plan page on the village web site (www.loxwood.org.uk).

The whole Community Led Plan initiative is being managed by a voluntary steering group of local people supported by the Loxwood Society and the Parish Council. However, we recognise that in order to be completely independent, the survey needs to be analysed by an external organisation. We have therefore contracted Action in rural Sussex (AirS) to carry out this exercise.

So don't bin this document as just another piece of unwanted junk mail. Make sure you give us your opinion. You cannot criticise future decisions if you haven't made your views known!

THIS IS YOUR CHANCE TO HAVE A YOUR SAY

Participation in this survey is voluntary and anonymous, so please express your views freely. One survey per household has been distributed so, either try to reflect the consensus opinion, or individual responses can be completed on line (see below for [url](#)). We have split the survey into easily understandable areas. There is also a separate sheet devoted to the views of our younger residents - the "youth of the parish", so please make sure that their opinions are included. If possible, let them fill it in on their own, on paper or online. If you feel the questions do not accurately cover the way you feel about a specific topic, please add your comments in the spaces provided or on additional sheets of paper. Make sure that any additional sheets are securely fastened to your survey. You can complete a paper copy of the survey and mail it back to AirS in the prepaid envelope provided; complete the survey online or drop it into the collection box at the village Store/Post Office.

URL for completing the survey online is
