➤ Loan for North Hall Renovations Annual repayment	£5245
➤ Small Grants and Donations: Caterpillars; North Hall Singers; LCGI; PCC; Loxwood/Alfold Magazine; Hope Charity:	£3960
➤ Wey and Arun Canal Trust	£6000
➤ North Hall PV Panels	£12675

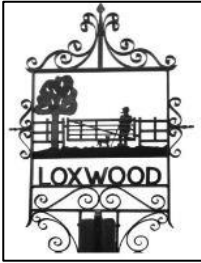

Finances (Cont'd)

- A substantial part of LPC reserves earmarked for traffic calming (£5,000)
- LPC do get Community Infrastructure Levy (CIL) money from new developments which are sold at Market Value. This is intended for projects around the Parish which help the Parish cope with the additional requirements the new housing brings. Further CIL is anticipated this year of approximately £20,000 from the Woolspillers project.

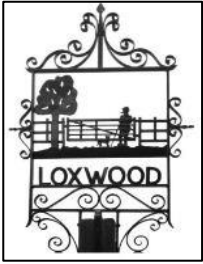

The Last Year

- A Loxwood Heritage Trail pointing out heritage sites and points of interest funded by the Council is now up and running and more on that later.**
- The North Hall PV Panels have been a great addition to North Hall saving fossil fuel energy consumption significantly**
- The Final Draft of the Traffic Calming Measures proposal is now with WSCC for comments after which it will be consulted upon with the residents.**
- The LSA renovations are well underway with better facilities for changing to allow women's team changing rooms but more on that later.**
- Fortunately the Loxwood Clay Pits appeal did not go ahead but the Parish Council and Stop The Claypits Group were ready with professionals to fight the appeal.**

Loxwood Heritage Trail

- Church Cottage purchased by Keith McIntyre in 2011
- Ten years spent researching the history
- The idea for the Heritage Trails came from a meeting between Keith, myself and my wife Christine
- It was agreed that the scheme would be funded and supported by the Parish Council, originally to celebrate the Queen's Platinum Jubilee
- The focus of the project was to uncover how the village developed over 750 years
- Website set up and can be accessed by scanning the QR code on the signs and leaflets. Designed to work on mobile devices so that the information can be read whilst walking the trails.
- Heritage Trail Signs have been installed
- Leaflets have been printed
