Thank you for supporting Chichester District Foodbank

Loxwood Parish Council
FAO Jane Bromley

Dear Loxwood Parish Council members,

Thank you so much for your generous grant of £800 to Chichester District Foodbank. Because of your kindness, we can continue to help individuals and families with emergency food and the additional support that can help them tackle the challenges that have led them to our food bank.

Your support does more than provide emergency food – it offers hope and helps people move forward through tough situations such as illness, job loss, or homelessness. We work closely with local organisations to connect people with the help they need, and we also run workshops and groups – such as budgeting, getting back into employment, and health support – that build skills, develop confidence, and improve wellbeing.

We warmly invite you to visit our foodbank centre and warehouse in Chichester. You'll be able to meet our team, see where we prepare and distribute parcels across the district to our hubs in Midhurst, Petworth, and Selsey, and find out more about our work. This is taking place on Thursday 7 May from 4 – 5.30pm. If this date and time doesn't suit, you are very welcome to come and visit us at another time.

Thank you once again for being part of our foodbank community and for supporting people through difficult times. Your generosity truly makes a difference.

With best wishes,

Sarah Adams
CEO, Chichester District Foodbank
