

Jane, sorry I forgot to send my apologies for tonight. It's the County's Carol Service at the Cathedral. Re Broomhurst Bridge. Darryl tells me there's no news so we just keep non asking and I have been corresponding re the School with Roger so he will be able to keep you up to speed.

From memory the last e-mail I had said they would send an Officer out to the School and then after an email I had from Roger and forwarded they said it seemed from his email that they were looking at just more than repairs but some sort of extension and I haven't heard back yet but Roger may be able to tell you more.

Sorry about tonight .

Happy Christmas and New Year to all of you.

Janet
